

Policy Series 5000
Board Policy 5015

Admission to the College

The District is an open admission, equal access institution. Admission is required prior to registration for classes. Applicants may be accepted as degree- or certificate-seeking, non-degree seeking, high school concurrent/dual enrollment, or non-credit. Additional requirements exist for non-US citizens entering the United States to attend college.

Admission to the District does not guarantee acceptance to any specific program.
