

AUDIT

A student may audit any course in the District with full class privileges and an option of taking exams. An audit must be declared before the end of the 21st calendar day of the semester in fall and spring semesters. The number of days will be prorated for courses shorter than a full semester. Students should declare an Audit at registration or by contacting the Records Office. Requirements for the audit are at the discretion of the instructor.

Effective Date: September 1, 1978
