Procedure 5060.1

Student Governance

Student governments are the governing body of students for campus. The governance officers and senators are elected each spring semester or are appointed by the current student government members to fill vacancies.

The elected positions include the following:

- President
- Vice President
- Financial Manager/Treasurer
- Secretary
- Student Affairs Senator
- Justice, Equity, Diversity, and Inclusion Senator
- Academic Senators

The primary advisor for the student governments are the staff members of Campus Services. Additional advisor(s) may be appointed by the student government.

Refer to constitution and by-laws for each student governance group.
