SHE	O	CI	ENGL*1950*01	Explorations: Reading Series	1	Julian T.		Th	6:00 PM	07:50 PM
<i>Reading Series: Books to Read Before You Die Do you see those lists of books that everyone should read before they die and just don't know where to begin? Have you always wanted to read more but feel like you need a class or a club to help you stay motivated? Do you feel like you missed out on some important books in high school or college and want to give it another shot? Then join Sheridan College's new Community Interest Course: Reading Series: Books to Read Before You Die. Each 8-week semester the course is offered, one of Sheridan College's English Faculty will guide you through a book hand-picked as a book to read before you die. This course will explore the chosen book in detail, giving you ample time to read those books you've felt you never had the time to read. Books will range from literary classics to modern bestsellers, and classes will discuss each book at length, engaging with the work's impact on literature, pop culture, cinema, and ourselves. This spring, Reading Series: Books to Read Before You Die is kicking off with Tyler Julian leading a deep read of Great Expectations by Charles Dickens. Why Great Expectations? You've got something for everyone: mystery, romance, crime, comedy, coming-of-age. Great Expectations is, ultimately, a book everyone should read before they die. The class will start on 1/24/2024 This class will meet face to face or students can attend synchronously via zoom. Course offered 1/25/24-3/7/24.</i>

English										
SHE	O	CI	ENGL*1950*01	Explorations: Reading Series	1	Julian T.		Th	6:00 PM	07:50 PM
<i>Reading Series: Books to Read Before You Die</i> Do you see those lists of books that everyone should read before they die and just don't know where to begin? Have you always wanted to read more but feel like you need a class or a club to help you stay motivated? Do you feel like you missed out on some important books in high school or college and want to give it another shot? Then join Sheridan College's new Community Interest Course: Reading Series: Books to Read Before You Die. Each 8-week semester the course is offered, one of Sheridan College's English Faculty will guide you through a book hand-picked as a book to read before you die. This course will explore the chosen book in detail, giving you ample time to read those books you've felt you never had the time to read. Books will range from literary classics to modern bestsellers, and classes will discuss each book at length, engaging with the work's impact on literature, pop culture, cinema, and ourselves. This spring, Reading Series: Books to Read Before You Die is kicking off with Tyler Julian leading a deep read of Great Expectations by Charles Dickens. Why Great Expectations? You've got something for everyone: mystery, romance, crime, comedy, coming-of-age. Great Expectations is, ultimately, a book everyone should read before they die. The class will start on 1/24/2024 This class will meet face to face or students can attend synchronously via zoom. Course offered 1/25/24-3/7/24.
