5. Presentation of NWCCD Audit Report by Eide Bailly LLP – Information

Dr. Tribley introduced the audit report and affirmed the strength of the College's financial position. VP Achord noted the sound financial position of NWCCD. He also explained that the books include an expense that accounts for the transfer of property to GCCD. He noted that this is not cash or actual revenue. VP Achord reported the audit resulted in an unmodified opinion with no findings, and he introduced Ms. Diggs, partner with Eide Bailly, to expound further. Ms. Diggs explained the audit process and testing done to formulate the unmodified opinion. She referenced the management discussion and analysis as well as the governance letter. She discussed cash, investments, and the transfer of assets to GCCD. She explained there were no findings related to internal control, financial reporting, or compliance. Trustee Leibrich asked Ms. Diggs to further explain pg. 60 and the lack of findings. Ms. Diggs explained that having no findings speaks to the quality of work by staff. The Board thanked Ms. Diggs and staff for their good work. (See the 2023 Financial Statement posted on the Sheridan College Website).

6. Acceptance of Audit Report – Action

Trustee Holloway moved to approve the audit report as presented. Trustee Swanson seconded. The motion carried.

Dr. Tribley recommended that the Board approve the sabbatical leave of Dr. Eric Richards. He discussed the process for requesting sabbatical leave and assured the Board that academic administration has ensured that Dr. Richards' courses are taught by other faculty while he would be on sabbatical leave. The leave is for one semester, Fall 2024. Chair Wendtland requested a motion to approve the sabbatical leave for Dr. Eric Richards. Trustee Henry moved, and Trustee Swanson seconded. - b. **Advanced Manufacturing and Applied Sciences Update** – NWCCD and Whitney Benefits Boards recently toured the new facility. Construction of the building is on time and on budget. There is a second floor, however it will not be finished in phase I of the building. Trustee Holloway asked about finding a qualified employee to be the director of the functions in the new building. Dr. Tribley explained that the job description for that position is still being developed, but it will

include teaching and administrative responsibilities. The College plans to consult legal counsel on the development of contracts for outside entities to utilize the space.

- c. **Strategic Planning** – VP Smith and AVP Briggs discussed the process and progress of the strategic planning effort. AVP Briggs demonstrated how employees can participate and provide feedback online. He pointed out that the survey results are posted on the internal website.
- d. **HLC Mid-Cycle Review Update** – In its initial review, the visiting team found that all five criteria were met with no interim monitoring recommended. However, the final report and ruling by the HLC is not expected until late spring. In response to a question from Chair Wendtland as to whether the team asked about GCCD, Dr. Tribley answered that NWCCD provided information about the district division the written documents provided to the HLC.
- e. **General Updates** – Two former SC Rodeo athletes placed 2nd and 3rd in the world at the NFR in saddle bronc riding.
