

**Commercial Motor Vehicle (CMV) Program and Commercial Driver's License Drug and Alcohol Testing Policy**

Northern Wyoming Community College District complies with the U.S. Department of Transportation (DOT) and Federal Motor Carrier Safety Administration (FMCSA) regulations regarding drug and alcohol testing for:

- Individuals enrolled in the Commercial Motor Vehicle (CMV) training program, and
- Employees who, as a condition of employment, have to hold a Commercial Driver's License.

This policy is intended to promote safety and responsibility for students and employees who may operate commercial motor vehicles.

All affected employees and students must read, sign and date Appendix E: "Receipt for DOT Drug and Alcohol Testing Procedure".
