### **Residential Life Handbook**

In addition to the Contract Terms and Conditions, which outlines contractual requirements, there are established guidelines to help students live together successfully. Campus Life and Housing will maintain a Residential Life Handbook outlining strategies for a safe and secure environment, a guide to residence hall processes, and campus resources. The Residential Life Handbook will be updated on an annual basis to reflect the most current procedures, processes, rules and guidelines. Students are expected to adhere to the items articulated in the Handbook. Violations will be processed through the *Student Code of Conduct* (Procedure 5075.2). A complete description of the process, sanctions, and appeal options are included therein. The Residential Life Handbook will be published on the Housing Information Site within MyNWCCD.
