

CERTIFIED NURSING ASSISTANT at *Sheridan College*

NRST 1510 Theory, Lab, & Clinical Course

Apply for general admission to NWCCD (if not a current student) at www.sheridan.edu If this is the only class you are taking, apply as 'Non-degree seeking or professional development'.

Register: Once accepted, contact Enrollment Service (307-675-0115) and see if you need to meet with an advisor to get registered for NRST 1510. Make sure to choose the correct section you wish to take (see schedule).

Additional Course Information:

- The class consists of six (6) weeks of ONLINE learning **AND** five (5) IN-PERSON days for lab skills in the classroom and on-site clinicals. These dates may vary.
- Access to a computer with internet capability is required for this class. Students must use your college-assigned email and access/utilize the college's online LMS (Canvas) for the duration of the class.
- Students must purchase a HealthCenter21 software license from the college bookstore or online at www.sheridancshop.com. The instructor will provide you with an access code.
- Students should expect to spend an average of 14 hours per week on the online portion of this class. The schedule for the in-person days will be announced during the class.
- Students admitted or readmitted to the class will comply with current course guidelines and requirements. A student may be readmitted to the course one time only.
- Applicants with questions or concerns regarding future certifications based on results of the criminal background check or drug screen should contact the course instructor and/or Wyoming State Board of Nursing to discuss. Admission to the nursing assistant course is not a guarantee of eligibility to become certified.

Estimated Costs: around \$1000 (in-state residency)

- NWCCD tuition for 3 credit class: \$483 (updates annually)
- Software License fee: \$105.75
- Fingerprinting for background check, TB test, BLS class: costs vary
- Royal/Medium Blue Scrubs (top and pants): \$60
- Wyoming State Board of Nursing Certification Fee: \$120 -\$145
- Prometric Testing Fee: \$115
